Case: 2017-00179 Ky. Power

COMMENTS: I hope you listen to the people And not increase Ky. Power electric rates. When I moved into my home 15 years Ago, my monthly budget plan was \$ 95.00 per month And After 15 years it went up to \$ 254 A month.

With homeowner's And property taxes insurance increasing, I feel like my packcheck keeps decreasing. I live in Knott Co. And work in Perry^{Co} with Ky. Dept. of Education. I Also pay into 2 different occupational Taxes. And health Insurance increasing 3% in 2018.

As A homeowner, I have no other choice to use Ky. Power / American Power As my choice for utility company in this Area where I live.

I Attended Nov. 6th hearing At Perry Central High School in HAZARD And I listened to the comments from citizens and public officials and raising the power rates Again will bring so much devastation to the people that uses Ky. Power.

Thanks

Marcia Sue Neace
