Case: 20171079 (Ky Power Rate Increase)

COMMENTS: Attended meeting in Ashland  
11/7/17. Informative and received  
important information.

I am a senior citizen and  
live on a fixed income. Any increase  
in my income has been swallowed  
up by Medicare and additional health/  
drug costs.

I am a conservative person by  
nature, and try to understand  
costs of living increases. This I  
cannot. 15% is a burden to a large  
amount of us that are retired. I  
received a notice from Ky. Power  
that I am in the "GREAT" category  
as far as power usage.

My feeling is put an increase  
on households who are not considered  
"great or good" categories.

I thought we were to conserve energy.  
I will be penalized if a rate increase  
is passed.
