COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF KENTUCKY POWER COMPANY FOR (1) A GENERAL ADJUSTMENT OF ITS RATES FOR ELECTRIC SERVICE; (2) AN ORDER APPROVING ITS 2017 ENVIRONMENTAL COMPLIANCE PLAN; (3) AN ORDER APPROVING ITS TARIFFS AND RIDERS; (4) AN ORDER APPROVING ACCOUNTING PRACTICES TO ESTABLISH REGULATORY ASSETS AND LIABILITIES; AND (5) AN ORDER GRANTING ALL OTHER REQUIRED APPROVALS AND RELIEF

ORDER

On October 30, 2017, the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention ("Attorney General"), filed a motion requesting a partial deviation from the filing requirements of 807 KAR 5:001, Sections 8(3) and 8(12)(a), and the Commission's July 17, 2017 procedural order, which require an original and six paper copies of electronically filed documents be filed with the Commission. The Attorney General requests to deviate from the filing requirements for the documents as listed on Appendix A to his motion, which were attachments to his responses to Commission Staff's First Request for Information to the Attorney General ("Commission Staff's First Request") and to Kentucky Power's First Request for Information to the Attorney General ("Kentucky Power's First Request").

In support of his motion, the Attorney General states that six copies of the designated attachments to his responses to Commission Staff's First Request and to Kentucky Power's First Request total more than 24,875 pages, and thus are too
voluminous and costly to produce in paper form. The Attorney General further states that many of the documents are in their native Excel spreadsheet format, and thus paper copies of the spreadsheets would not be readily usable. The Attorney General proposes to file the original and six copies of the responses to the data requests, with the exception of the attachments. The Attorney General asserts that the designated attachments have been uploaded through the Commission's electronic filing system, and thus are available for the parties to review and are part of the official record of this case.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that the Attorney General established good cause to deviate from the filing requirements of 807 KAR 5:001, Sections 8(3) and 8(12)(a), and the Commission’s procedural order, and, therefore, his motion should be granted.

IT IS THEREFORE ORDERED that the Attorney General's motion to deviate from the filing requirements of 807 KAR 5:001, Sections 8(3) and 8(12)(a), and the Commission’s procedural order is granted.
