

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PROPOSED ADJUSTMENT OF)
THE WHOLESALE WATER SERVICE RATES) CASE NO.
OF LEBANON WATER WORKS) 2017-00417

ORDER

On July 12, 2018, the Commission issued an Order which, among other things, rejected the wholesale water rates of Lebanon Water Works (Lebanon Water), established the wholesale rates that Lebanon Water should charge, and directed Lebanon Water to provide refunds to Marion County Water District.

Based on a review of the Order and being otherwise sufficiently advised, the Commission finds that three inadvertent errors need to be corrected. First, finding paragraph 5 of the Order, the first sentence, states that Lebanon Water should make refunds for excess revenues collected from April 14, 2018, through the date of the Order. Second, ordering paragraph 2 of the Order approved the rates contained in Appendix B for service rendered on and after July 12, 2018. Third, ordering paragraph 3 of the Order, the first sentence, ordered that Lebanon Water should make refunds for excess revenues collected from April 14, 2018, through the date of the Order.

The Commission, on its own motion, HEREBY ORDERS, *nunc pro tunc*, that the July 12, 2018 Order is amended as follows:

1. Finding paragraph 5 is stricken and replaced with the following:

Within 30 days of the date of this Order, Lebanon Water should file with the Commission a report on the amount of excess revenues collected from April 16, 2018, through the date of this Order and a plan for refunding these revenues. This report shall include interest for the period the excess revenues were collected at the average of the Three-Month Commercial Paper Rate as reported in the Federal Reserve Bulletin and the Federal Reserve Statistical Release. Lebanon Water shall include in its report its plan to refund the excess revenues collected and the associated interest within 60 days of the date of this Order, as required by KRS 278.190(4).

2. Ordering paragraph 2 is stricken and replaced with the following:

The rates and charges found reasonable herein and set forth in Appendix B to this Order are approved for the provision of wholesale water service rendered by Lebanon Water on and after April 16, 2018.

3. Ordering paragraph 3 is stricken and replaced with the following:

Within 30 days of the date of this Order, Lebanon Water shall file with the Commission a report on the amount of excess revenues collected from April 16, 2018, through the date of this Order and a plan for refunding these revenues. This report shall include interest for the period the excess revenues were collected at the average of the Three-Month Commercial Paper Rate as reported in the Federal Reserve Bulletin and the Federal Reserve Statistical Release. Lebanon Water shall include in its report its plan to refund the excess revenues collected and the associated interest within 60 days of the date of this Order, as required by KRS 278.190(4).

4. All provisions of the July 12, 2018 Order that are not in conflict with this Order shall remain in full force and effect.
