Dear Ms. Egbers:

East Kentucky Network, LLC ("EKN") is in receipt of your letter dated March 5, 2017. Thank you for contacting us with your questions and concerns.

The property on which EKN proposes to construct a cell tower was leased from Matthew and Amanda Oaks, and James and Carrie Kincaid. For your convenience, I am enclosing a copy of the Memorandum of Lease, which is of record in the Letcher County Clerk's Office in Lease Book 66, Page 814, and on file with the PSC, available for public inspection. Please refer to the plat map attached to the Memorandum of Lease for further detail on the boundary of EKN's leased lot in relation to the adjacent property boundaries. I trust that this Memorandum of Lease adequately answers the questions that you raised in your letter.

You also stated that you believe the proposed tower will be beneficial to the area. We sincerely appreciate your support and look forward to having the opportunity to provide cellular service to this community.

If you have any other questions or comments, please do not hesitate to contact us.

Very truly yours,
