RE: Case #2017-00148
Purchase Water Adjustment for Judy Water Association

Dear Executive Director:

Judy Water Association has received notification from one of its suppliers (City of North Middletown) of **decreases** to water rates. Judy Water Association filed paperwork with the PSC for a Purchase Water Adjustment. The Commission Staff reviewed the application and found a deficiency.

Please find attached the minutes from the April 10th Board meeting. These minutes should provide adequate information to fill the deficiency in the Judy Water Association Case #2017-00148.

All income sheets and balance statements are current and on file with the PSC. If you have any additional questions, I can be contacted at 859-398-1009.

Thank you,
