RE: Proposed Rate Increase for Ky Power Company

Dear Sir;

It has come to my attention, per the article in the Leslie County News of a proposed increase in the rates charged by Ky Power.

I am writing this to ask that the PSC DO NOT Allow an Increase and Lower the RATES IF possible.

I know it is a depressed area and Ky Power has lost several customers but if the rates are increased they will probably lose several more customers, especially the elderly on a fixed income.

Thank You for listening,
Debra K. Lewis
