To Whom It May Concern:

I UNDERSTAND THAT Ky Power HAS  
announced in the newspaper they are  
seeking ANOTHER RATE INCREASE.

The RATES ARE thru the ROOF High, Right  
Now, Everyone is going to Alternative heat  
gas/heating stove (Coal + Wood) AND ANY OTHER means  
that is cheaper.

Please do not ALLOW ANOTHER RATE INCREASE,  
the last one done us in. Everything is so  
high, utilities, garbage, taxes IT is just about  
impossible to own a piece of LAND AND try to  
live here. Several people has already left.
