Case 2017-00179

I wish to submit my complaint  
on the high electric bills in  
Ky already. Please do not  
allow another rate increase.

The price is putting so many  
in dire financial difficulty now.  
As a retired low income person,  
a electric bill, like a house  
payment is not doable. Thank  
you for hearing, & may you  
act on our complaints

Sincerely
