COMMENTS: I live on a limited ~~fixed~~
income. I am retired with a low
retirement income. My husband and I are
worried about the power we use.
A lot of people I know have to live
on less than what we have. It is
unfair for Ky Power to ~~pay~~ ask us
to pay more when they don't cut ~~on~~
their expenses. It is unfair for them
to give donations and receive high
salaries for their CEO and expect us
to pay for these things. The customers
that are left in this area should not
have to pay more because of loss of
customers and poor management. I hope
that you will investigate more of their
practices.
