Name: DANIEL GRANT Burgess

Address: 805 Deena DR. Villa Hills Ky 41017

Case: 2017-00321

COMMENTS: I am a life long
resident of Kentucky. 64 years
old with a disabled wife.
The prospect of an increase in
our electric utility rates is
scary to us. Duke ENERGY is
making record profits already,
so the idea of a 17% increase
is ridiculous. The cost of living
is already too high. Please do not
allow Duke to make it worse
with a rate hike.

Sincerely

Don + Nancy Burgess
