State the nature of your concern: Cingular Wireless is proposing a communications tower in Symsonia Ky. Docket # 2017-00368. I have land near this proposed site. I am concerned of this huge unsightly tower near homes and in full view of everyone in Symsonia will decrease

property values. Our town already has 3 large towers. We have a Verizon communications tower and a local Cable/Internet tower. Both of these towers have blinking lights at night along with a 100' Water Tower. The owner of the land where this tower is proposed does not live anywhere near Symsonia. Our small town feels we are being taken advantage of due to the elevation our town presents to the surrounding area. I have submitted my e-mail address but would rather speak to someone in person at the number listed.

Have you contacted the utility about the problem: No
