MOTION FOR USE OF ELECTRONIC FILING PROCEDURES

Pursuant to 807 KAR 5:001, Section 8, PPL Corporation, PPL Subsidiary Holdings, LLC (“NEWCO1”), PPL Energy Holdings, LLC (“NEWCO2”), LG&E and KU Energy LLC (“LKE”), Louisville Gas and Electric Company (“LG&E”), and Kentucky Utilities Company (“KU”) (collectively, “Joint Applicants”) jointly move that the Kentucky Public Service Commission (“Commission”) require the use of electronic filing procedures in this proceeding.

In support of their motion, Joint Applicants state:

1. The Commission’s Rules of Procedure permit an applicant to elect the use of electronic filing procedures in a proceeding. 807 KAR 5:001, Section 8. Although those Rules suggest a preference for an applicant to make an election prior to the submission of its initial papers initiating a proceeding, those Rules do not prohibit an applicant from requesting the use of electronic filing procedures after the proceeding has been initiated.

2. Requiring the use of electronic filing procedures at this early stage will not prejudice any potential party of the Commission. It will reduce the cost of this proceeding to all potential parties by reducing the number of copies that must be produced in paper medium,

ensure a more rapid and timely distribution of papers to potential parties and the Commission, and allow for greater transparency and public awareness by enabling the papers' immediate posting to the Commission's website.

3. LG&E, KU, and their authorized representatives have registered with the Commission's E-Filing System and are authorized to make electronic filings with the Commission.

4. LG&E, KU, and their authorized representatives possess the facilities to receive electronic mail submissions.

5. LG&E and KU's authorized representatives and their e-mail addresses for electronic delivery of notices of filing documents are set forth in Paragraph 14 of their Application.

6. LG&E, KU, and their authorized representatives have read and understand the procedures for electronic filing set forth in 807 KAR 5:001 and will fully comply with those procedures and any modifications to those procedures that the Commission may direct.

WHEREFORE, the Joint Applicants move that the Commission designate this proceeding as an electronic filing proceeding and direct that henceforth the electronic filing procedures set forth in 807 KAR 5:001, Section 8 be used by all parties in this proceeding.

Dated: October 17, 2017

Respectfully submitted,
