RESPONSE

Pursuant to Paragraph 1 of the Order entered January 11, 2018, I submit the following individual response:

1. I was appointed as a commissioner and chairman for the Dexter-Almo Heights Water District on November 26, 2001.
2. I work as a rural letter carrier for the United States Postal Service and as a farmer.
3. The training sessions mandated by KRS 74.020 (8) do not apply to commissioners appointed before the passage of the statute in 2010. I was appointed prior to the statute's enactment and was therefore not required to attend the training sessions.
4. I try to operate within all laws and regulations of the State of Kentucky and the Public Service Commission. I did not know that we needed to seek approval of the Public Service Commission in order to issue indebtedness. I relied upon our engineers to get all certificates and approvals needed. I had no reason to try to get around or avoid any of my obligations to the Public Service Commission. I am very sorry that this has occurred, and will be careful in the future to never let it happen again.
5. I respectfully request that the hearing take place by a telephone conference rather than in person due to the work schedule of two of our individual commissioners.

6. I respectfully request a 30 day extension for the date of the hearing because one of our individual commissioners will be out of town and unavailable to attend a hearing until March 5, 2018.

Respectfully submitted,

JOE DAN TAYLOR

I, the undersigned Notary Public, do hereby certify that the foregoing instrument was duly subscribed, acknowledged and sworn to before me by **Joe Dan Taylor**, who is personally known to me (or proved to me on the basis of satisfactory evidence), as his free act, on this the 31st day of January, 2018.
