MOTION FOR USE OF ELECTRONIC FILING PROCEDURES

Pursuant to 807 KAR 5:001, Section 8, Dexter-Almo Heights Water District, Joe Dan Taylor, Charles Boren, and Pat Paschall (collectively “the Respondents”) move that the Public Service Commission (“the Commission”) permit the use of electronic filing procedures in this proceeding.

In support of their motion, the Respondents state:

1. On January 11, 2018, the Commission issued an order establishing this proceeding. Although the Commission’s Rules of Procedure permitted the Commission to direct the use of electronic filing procedures at the outset of a Commission-initiated proceeding,¹ it chose not do so in this proceeding.

2. The Commission’s Rules of Procedure do not prohibit the subjects of such a proceeding from requesting the use of electronic filing procedures after the proceeding has been initiated. The Commission has previously ordered the use of electronic filing procedures after the commencement of a proceeding upon a party’s request.²

3. Requiring the use of electronic filing procedures at this stage in the proceedings will not prejudice any potential party, the public or the Commission. It will reduce the cost of

4. The Respondents and their authorized representatives have registered with the Commission's E-Filing System and are authorized to make electronic filings with the Commission.

5. The Respondents and their authorized agents possess the facilities to receive electronic mail transmissions.
