**RE: Application of Louisville Gas and Electric Company for Approval  
of State Waiver of the Reassessment Interval Required by 49 C.F.R.  
§ 192.939  
Case No. 2017-00482**

Dear Ms. Pinson

At the end of July 2018, Louisville Gas and Electric Company (“LG&E”) completed the in-line inspection of the Calvary gas transmission pipeline. The in-line inspection vendor has now confirmed that the inspection obtained all necessary information. As a result, LG&E considers the integrity assessment of the Calvary pipeline complete as of the end of July 2018 and requests this matter be approved and closed.

Please contact me should you have any questions.

Regards,

Rick E. Lovekamp
