Re: Case Number 2018-0005

Dear Commissioner Schmitt:

I am writing on behalf of Louisville consumers of Louisville Gas and Electric (LG&E). You are currently considering a substantial charge to Louisville customers in case number 2018-0005. As you know, this case has a total charge that will exceed \$350 million when return on investment is added in, and most of that will be in the LG&E area.

I am asking the KPSC to hold a public hearing in Louisville for customers to talk about the proposed Advanced Metering System costs and benefits. People in Louisville deserve the opportunity to hear from you directly and to respond to your proposal.

In community,
