Re: Case No. 2018-00017

I am a citizen of Martin County.  
I have lived in this county for  
76 years. As an insurance agent  
for 33 years, I know most of the  
people within the county. I am  
concerned about the possibility of  
another rate increase for the water.  
This will hurt many of the poor  
people of this county.
