RE: Water Service Corporation of Kentucky
Case#: 2018-00208

Dear Sir/Madam,

I live in Middlesboro, Kentucky, and my water provider is Water Service Corporation of Kentucky. They are asking for a 35.29% increase with an annual revenue of \$852,743.

This increase is excessive!

As a current water service customer, I oppose this increase.

There was a recent public hearing and no mention of an increase was discussed.

Please do not allow ANY increase!
