My students' families cannot afford this! I teach at a title I school & my high school students often have to pay the bills. This will hurt kids!

All Kentuckians need and deserve affordable and clean energy. This rate case moves us in the wrong direction. The LG&E and KU plan is bad for consumers, harmful to people on low and fixed incomes, and damaging to energy efficiency and rooftop solar. Kentuckians deserve so much better than this. The KY Public Service Commission must open up its public process and reject this rigged deal.
