Rate Hike !!

I am a Senior Citizen trying to make ends meet on my fixed income. I have to decide if I am going to pay for medicine, keep a roof over my head, doctor bills or have lights & Gas. I can not stretch this fixed income any further. I can not afford a L&E Rate hike. I am not able to go back to work due to my health and age. Please consider all of us Senior Citizens, who are trying to make it from day to day.

Thanking you in Advance:
