COMMISSION STAFF'S SECOND REHEARING REQUEST FOR INFORMATION
TO KENTUCKY POWER COMPANY

Kentucky Power Company ("Kentucky Power"), pursuant to 807 KAR 5:001, is to file with the Commission the original in paper medium and an electronic version of the following information. The information requested herein is due on or before May 18, 2018. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Kentucky Power shall make timely amendment to any prior response if it obtains information that indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Kentucky Power fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to respond completely and precisely.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Kentucky Power shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the Testimony of Alex E. Vaughan, page S5, lines 9–20.
 - a. Explain whether Kentucky Power considered implementing an annual true-up to reflect any annual credits that varied from the Annual Total Rate Credit Amount.
 - (1) If the answer to 1a is no, explain why.
 - (2) If the answer to 1a is yes, explain why Kentucky Power did not propose an annual true-up.
 - b. Explain how the proposed amortization of the annual credits that vary from the Annual Total Rate Credit Amount will not result in a normalization violation.

2. Refer to the Testimony of Matthew A. Horeled, page S7, lines 20–22. In Excel spreadsheet format with formulas intact and unprotected and all rows and columns fully accessible, provide the calculations of the annual federal tax cut credit for 2019 and 2020 without “shaping”.
