

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC EXAMINATION OF THE)	
APPLICATION OF THE FUEL ADJUSTMENT)	CASE NO.
CLAUSE OF BIG RIVERS ELECTRIC)	2018-00221
CORPORATION FROM NOVEMBER 1, 2017)	
THROUGH APRIL 30, 2018)	

ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on August 10, 2018, to review and evaluate the operation of the Fuel Adjustment Clause (FAC) of Big Rivers Electric Corporation (BREC) for the six-month period that ended on April 30, 2018. As part of this review, BREC responded to two requests for information. The Commission held a formal hearing in this matter on October 9, 2018.

A review of BREC's monthly FAC filings shows that the fuel cost billed for the six-month period under review ranged from a low of \$.021434 per kWh in November 2017 to a high of \$.024767 per kWh in February 2018, with a six-month average of \$.022526 per kWh.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds no evidence of improper calculation or application of BREC's FAC charges or improper fuel procurement practices.

IT IS THEREFORE ORDERED that:

1. The charges and credits billed by BREC through its FAC for the period November 1, 2017, through April 30, 2018, are approved.

2. This case is closed and removed from the Commission's docket.
