ORDER

On September 27, 2018, the Commission entered an Order conditionally approving and accrediting the water district training program offered by the Kentucky Rural Water Association and Stoll Keenon Ogden PLLC (KRWA Applicants) scheduled to take place on October 30, 2018 (Training Program), to satisfy the six hours of annual training described by KRS 74.020(6) and KRS 74.020(7). KRWA Applicants submitted materials following the Training Program indicating, among other things, that the Training Program was conducted as scheduled without material change and identifying those water district commissioners who attended the program along with the number of hours they attended. Having reviewed the submitted materials and being otherwise sufficiently advised, the Commission finds that the KRWA Applicants have satisfied the conditions imposed in the September 27, 2018 Order herein.

IT IS THEREFORE ORDERED that:

1. The Training Program is hereby approved and accredited for a maximum of six hours of water district management training for water district commissioners seeking to satisfy the annual training requirements set forth in KRS 74.020(6) and (7).

2. The Training Program may not be used by water district commissioners seeking to satisfy any portion of the initial training requirement for water district commissioners required by KRS 74.020(8).

3. This matter is closed and removed from the Commission's docket.
