ORDER

On July 9, 2019, the Commission issued an Order directing the Complainants to file a response to Commission Staff's First Request for Information (Staff's First Request), issued on April 11, 2019, within ten days. The Complainants were also ordered to file a motion for extension of time explaining the delay of nearly three months in filing a response. On or about July 17, 2019, Commission Staff received a call from Mr. LeClair claiming that he had retained an attorney and had already filed a response to Staff's First Request. Commission Staff advised that no response had been received and that the attorney should file an entry of appearance. Shortly after that, Commission Staff was contacted by Mr. Leland Howard who stated that he had been retained as counsel for the Complainants. Commission Staff advised him to file an entry of appearance and a motion for extension of time.

On July 22, 2019, Mr. Leland filed with the Commission an entry of appearance and a motion for extension of time to respond to Staff's First Request. The motion stated

that the Complainants had attempted to file a response to Staff's First Request although it had not been received by the Commission and that Mr. Leland was making every effort to become fully familiar with the facts of the case but would be out of town from July 19, 2019, to July 29, 2019.

The Commission finds that a delay to allow Mr. Leland to familiarize himself with the case and file a response will not be prejudicial to any party and that Complainants should be granted an extension of time in which to file their response to Staff's First Request.

Based on the foregoing, it is HEREBY ORDERED that Mr. and Ms. LeClair are granted an extension of time to respond to Staff's First Request up to and including August 30, 2019.
