Subject: LG&E request for advanced meter early adoption

Please know that I strongly oppose LG&E's request for advanced meter early adoption. This idea of LG&E's will cost all of it's customers more money to no real long term benefit. Please don't let them continue in their quest to invade the privacy of our homes & charge us more money in the process. From what I've read, this meter will cost users on both fronts, if they accept it, it costs money & if they choose to reject it, it costs even more money.

Please don't let them do this to us again.
