Hi,

I oppose the almost ten percent increase in Inter-County's electric rates. As a family with four children, our monthly bill is between \$250 and \$450 monthly and the increase would equate to a \$20 to \$40 increase in our bill. Our rates are much higher than KU rates and other rates in our region. Fuel costs and taxes have been decreased so I do not understand the rationale

behind such a large increase.

Thank you,

Robyn Denton
