To whomever is in Charge of  
 the water Bills in Ky (Middleboro):  
 I am writing in opposition to  
 the water bill rate hikes for  
 the residents of Middleboro, Ky.  
 We dont have the salaries of  
 larger cities. And we are living  
 in a city where the cost of living  
 is lower & our salaries are a lot  
 lower. I would appreciate if you could  
 reconsider raising the rates in  
 middleboro - And thank you for your  
 time and thoughts on our case. The  
 Case Number is 2018-00208. I  
 appreciate you looking into this matter.  
 Sincerely - Therest Bowlsby
