Again KU comes marching thru the door with a huge rate increase of 11.7 percent. As a senior citizen I have read that we will receive a 2.8 percent rate increase. KU must have a staff of accountants that work non-stop on ways to buffalo the public service commission. As usual they will be successful. Just remember one day you will be on a fixed income.

Subject: 8.10 Rate hike

I am a 69 year old senior living on Disabled Social Security. I have no other income. I am totally against K.U. 's proposed 8.10% rate increase in Case # 2018-00294. They have rate hike after rate hike every year or less. We just received in Lexington, Ky. a 5 or 6 % Property Tax Increase. This is not what President Trump envisioned when he gave American workers a Tax Cut. I don't even work and do not get a tax cut. With rate hikes like K. U.'s and tax increases kiss your tax cut goodbye!! It gets harder to live in Lexington Ky. everyday. I see why they have so many homeless people now. If you care one Iodea about Seniors, The Disabled, or even the young married couple trying to make ends meet. I ask you to consider no Rate Hike!!! Thank you very much, Larry A. Moore
