PUBLIC SERVICE
COMMISSION

12/1/2018

Dear Sirs/Madam:

I wish to protest most strongly against the proposed water rate increase by Kentucky American Water. The proposed rates are several times the rate of inflation and a greedy grab for excess profits.

Please hold our utilities to reasonable rates. We depend upon you!

Sincerely,

A handwritten signature in cursive script that reads "Mark + Karen Pendleton". The signature is written in black ink and is positioned below the word "Sincerely,".
