DEC 07 2018

**PUBLIC SERVICE
COMMISSION**

Dear PSC members,

~~minimum~~ PLEASE do not approve the rate hikes the water company and the electric company are requesting. We are in our 90^s and many senior citizens cannot afford this. I fear there will be more homeless citizens if the rate hikes are approved.

It is up to you to protect the citizens of Lexington. Please do the right thing for us.

Respectfully,
Doris McKay
George McKay
