Frankfort, KY 40602

To Whom It May Concern:

I would like to take this opportunity to oppose the rate increase of approximately 24%. This increase would be substantially more than the 9% increase that the Consumer Price Index research has found as typical for utilities during the last twelve months (as of October 31, 2018).

Again, I am **NOT** in support of the increase proposed the Kentucky American Water Company.

Respectfully,

Angel S. Reed
3009 Laguna Court
Lexington, KY 40511
