Based on its initial review of the EKPC IRP, the Commission finds that additional inquiry is necessary. Due to staffing level and workloads of Commission Staff (Staff), the dates that would normally be set for processing this case should be moved back to allow sufficient time for Staff to complete its review of the IRP and issue a Staff Report.

c. A party shall make timely amendment to any prior response if it obtains information that indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.
