ORDER

On February 28, 2019, Louisville Gas & Electric Company (LG&E) and Kentucky Utilities Company (KU) (jointly, LG&E/KU) filed, through the Commission's electronic Tariff Filing System, revisions to its annual electric Demand-Side Management (DSM) Balancing Adjustment (DBA).<sup>1</sup> In addition, LG&E/KU proposed revisions to the DSM Capital Cost Recovery Component (DCCR) for the Residential Service and General Service rate customers due to the Commission increasing the number of customers authorized to participate in LG&E's Advanced Metering Systems Customer Service Offering.

The Commission finds that a procedural schedule should be established to review the reasonableness of the proposed electric tariffs to revise the DBA and DCCR. That procedural schedule is attached hereto as an Appendix to this Order and is incorporated herein.

---

<sup>1</sup> KU's tariff filing was designated as TFS2019-00105 and LG&E's tariff filing was designated as TFS2019-00106.

IT IS THEREFORE ORDERED that:

1. The procedural schedule set forth in the Appendix to this Order shall be followed.

2. a. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided with the original and an electronic version to the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable and shall be appropriately bookmarked.

b. Each response shall be answered under oath, or for representatives of a public or private corporation or a partnership or an association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. A party filing a paper containing personal information shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

3. Any party filing testimony shall comply with the electronic filing procedures set forth in 807 KAR 5:001, Section 8, and shall file with the Commission an original in paper and an electronic version. The copy in paper medium shall be appropriately bound, tabbed, and indexed. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

4. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

5. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
