ORDER

On July 16, 2019, the Commission entered an Order granting Todd County Water District (Todd District) a Certificate of Public Convenience and Necessity to construct a waterworks improvement project and approving its proposed plan of financing and new rates. That Order also directed Todd District to file a water sale contract with Novelis, a new industrial customer. However, upon issuance of that Order, the Commission became aware that Todd District had separately filed, through our electronic Tariff Filing System, a water sale contract with Novelis. Thus, Todd District has satisfied the directive in that Order regarding the filing of a water sale contract with Novelis.

IT IS THEREFORE ORDERED that:

Todd District has satisfied the requirement in the July 16, 2019 Order to file a water sale contract with Novelis.
