

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC CONSIDERATION OF THE)	CASE NO.
IMPLEMENTATION OF THE NET METERING)	2019-00256
ACT)	

COMMISSION STAFF'S POST-HEARING REQUEST FOR INFORMATION
TO KENTUCKY SOLAR INDUSTRIES ASSOCIATION

Kentucky Solar Industries Association (KYSEIA), pursuant to 807 KAR 5:001, is to file with the Commission the original and an electronic version of the following information. The information requested herein is due on December 4, 2019. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

KYSEIA shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which KYSEIA fails or refuses to furnish all or part of the requested information, KYSEIA shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, KYSEIA shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Provide data from KYSEIA members on the adoption rates of rooftop solar arrays subject to net metering in the service territories of investor-owned electric utilities and electric cooperatives regulated by the Commission as compared to rooftop solar arrays installed in areas served by the Tennessee Valley Authority and municipal-owned electric utilities. To the extent possible, provide a breakout of adoption rates for each discrete utility subject to the Commission's jurisdiction.
