COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION TO
GREEN RIVER VALLEY WATER DISTRICT

Green River Valley Water District (Green River Valley District), pursuant to 807 KAR 5:001, is to file with the Commission the original and an electronic version of the following information. The information requested herein should be filed with the Commission within five days of the date of this request. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising

the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry. Green River Valley District shall make timely amendment to any prior response if Green River Valley District obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Green River Valley District fails or refuses to furnish all or part of the requested information, Green River Valley District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Green River Valley District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. As 807 KAR 5:069, Section 2(6)(c), provides, the proposed rates, if any, shall produce the total revenue requirements recommended in the engineering reports. Provide a copy of the billing analysis in PDF and Excel spreadsheet format showing revenue at current rates and at proposed rates based on actual and forecasted water usage for the existing system for a 12-month period as contained in the Kentucky Guide 7 Summary Addendum that

was provided to the United States Department of Agriculture Rural Development (RD) as referenced in the Preliminary Engineering Report on page 17 (Revised April 2016) as part of the loan application. The copy provided in Excel spreadsheet format should have formulas intact and unprotected, and all rows and columns fully accessible.

2. Provide a copy of the Kentucky Guide 7 Summary Addendum that Green River Valley District provided to RD as part of the loan application.
