COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION  
TO DUKE ENERGY KENTUCKY, INC.

Duke Energy Kentucky, Inc., (Duke Kentucky), pursuant to 807 KAR 5:001, is to file with the Commission the original and an electronic version of its responses to the following information. The information requested herein is due on January 16, 2020. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Duke Kentucky shall make timely amendment to any prior response if Duke Kentucky obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Duke Kentucky fails or refuses to furnish all or part of the requested information, Duke Kentucky shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a paper containing personal information, Duke Kentucky shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Duke Kentucky's response to Commission Staff's First Request for Information (Staff's First Request), Item 4. Explain in detail how Duke Kentucky will minimize the impacts of the proposed transmission line that would cross Aero Parkway and the nearby bike path.

2. Refer to Duke Kentucky's response to Staff's First Request, Item 7.
  - a. Explain in detail how Duke Kentucky will mitigate the impacts to commercial entities both during and after construction of the proposed transmission line project.

- b. Provide an update on the discussions since the response to Staff's First Request.

3. Refer to Duke Kentucky's response to Staff's First Request, Item 8.c. Indicate whether Duke Kentucky anticipates that the Kenton County Airport Board will provide consent for the electric line facilities along Aero Parkway or whether modifications to the placement and height of the poles will be needed.
