9:31:24 AM	Vice Chairman Cicero - witness East Kentucky Note: Fields, Angela	So can I ask a question on that?

9:43:29 AM Vice Chairman Cicero - witness East Kentucky  
Note: Fields, Angela Are those factors a scientific based number or are those East Kentucky Power's assigned values for those types of variables?

9:43:57 AM Vice Chairman Cicero - witness East Kentucky  
Note: Fields, Angela So they are your variables?

9:44:13 AM Vice Chairman Cicero - witness East Kentucky  
Note: Fields, Angela Since the evaluated cost is so important the values you assign to your variables have a huge impact on what that final evaluated cost is. Right?

9:44:29 AM Vice Chairman Cicero - witness East Kentucky  
Note: Fields, Angela What went in to determining the value of those variables?

9:44:50 AM Vice Chairman Cicero - witness East Kentucky

Note: Fields, Angela Cross Examination.

10:14:55 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela I'm going to interrupt for just one second I think that is why [click on the link for Vice Chairman Cicero's remarks.]

10:15:15 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela The question is why would you project a lower cost with all the other factors that you have just gone through?

10:16:23 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela So I am going to ask the same question that I asked in one of the prior hearings. As far as the evaluation cost go [click on the link for Vice Chairman Cicero's remarks.]

10:16:32 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela So you got a formula and I presume it is in a computer?

10:16:44 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela So in the output from the inputs are they evaluated for reasonableness? Because I mean [click on the link for Vice Chairman Cicero's remarks.]

10:17:37 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela Doesn't that seem strange?

10:18:05 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela Unfortunately for you they are not here you are. So it is up to you to basically justify whether you believe it is valid or not and [click on link for Vice Chairman Cicero's remarks.]

10:18:38 AM POST HEARING DATA REQUEST  
Note: Fields, Angela Are you interested in finding out more about this?  
Note: Fields, Angela Vice Chairman Cicero - witness Duke Kentucky

10:20:02 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela And I would agree. And I am definitely not insinuating that the number is actually wrong [click on the link for Vice Chairman Cicero's remarks.]

10:21:26 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela I think thats an excellent answer and again if it is provided up front it saves some questions.

10:21:32 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela I'm sorry Mr. Pinney do you have more questions?

10:21:43 AM Vice Chairman Cicero  
Note: Fields, Angela Okay thank you. Chairman Schmitt?

10:21:50 AM GC Pinney PSC - witness Duke Kentucky  
Note: Fields, Angela Cross Examination Continued.

10:22:42 AM GC Pinney PSC - witness Duke Kentucky  
Note: Fields, Angela No further questions your honour.

10:22:46 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela I want to go back to the green hat situation here real quick. So Duke said that they passed through in July, August, and September cost associated with a green hat charge that came in through PJM. Is that correct? Two hundred and eighteen thousand.

10:23:12 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela So the total amount passed tho was two hundred and eighteen?

10:23:26 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela For the review period it is a hundred and ten. I am looking more at the process [click on the link for Vice Chairman Cicero's remarks.]

10:24:04 AM Vice Chairman Cicero - witness Duke Kentucky  
Note: Fields, Angela What did Duke use as the basis for deciding to pass anything through to rate payers?

10:24:38 AM	Vice Chairman Cicero - witness Duke Kentucky Note: Fields, Angela	So I think you indicated that it was thought that the exposure to PJM was four hundred million and it might be a hundred million now or somewhere in that range?
10:26:01 AM	Vice Chairman Cicero - witness Duke Kentucky Note: Fields, Angela	So it's a hundred and ten thousand for the period we are discussing jurisdictionally just for Kentucky was Duke hit with a much larger amount for all of its PJM territory?
10:26:26 AM	Vice Chairman Cicero - witness Duke Kentucky Note: Fields, Angela	And did you handle those all the same way as you did Kentucky? Passing through to rate payers?
10:26:33 AM	Vice Chairman Cicero - witness Duke Kentucky Note: Fields, Angela	And at this point you don't know because of the uncertainty what the future exposure could be because it is still unknown?
10:26:48 AM	Vice Chairman Cicero - witness Duke Kentucky Note: Fields, Angela	But the policy for Duke is going to be to process it the same way that you did for the one hundred and ten thousand that was passed through?
10:26:57 AM	Vice Chairman Cicero - witness Duke Kentucky Note: Fields, Angela	So if there was to be some more certainty that is established with this in the future those could be subject to change depending on how it is interpreted by all parties? The one hundred and ten thousand is what I am referring to. I don't know how that is going to work getting out of the two year review.
10:27:36 AM	Vice Chairman Cicero - witness Duke Kentucky Note: Fields, Angela	So how does Duke intend on handling those refunds that come through after the close of the two year period?
10:27:49 AM	Vice Chairman Cicero - witness Duke Kentucky Note: Fields, Angela	And I know. And I know when I first came to the Commission [click on the link for Vice Chairman Cicero's remarks.]
10:28:10 AM	Vice Chairman Cicero - witness Duke Kentucky Note: Fields, Angela	I don't have any other questions. Mrs. Honaker?
10:28:13 AM	Vice Chairman Cicero Note: Fields, Angela	Mr. Pinney?
10:28:15 AM	Vice Chairman Cicero Note: Fields, Angela	Chairman?
10:28:16 AM	Vice Chairman Cicero Note: Fields, Angela	I guess we are adjourned. You may be excused.
10:28:30 AM	CASE NO. 2019-00007 BIG RIVERS ELECTRIC CORPORATION (BIG RIVERS) Note: Fields, Angela Note: Fields, Angela  Note: Fields, Angela	COUNSEL: Tyson Kamuf WITNESSES: Nicholas R. Castlen, Mark J. Eacret, Mark W. McAdams, Chris Bradley, Jason C. Burden, Ronald D. Gregory, Roger Hickman There is one intervener for this case and that is KIUC. So would the Counsel for Big Rivers please identify himself and any witnesses for the record.
10:29:54 AM	Vice Chairman Cicero Note: Fields, Angela  Note: Fields, Angela	And would the Counsel for KIUC please identify himself and any witnesses? COUNSEL: Kurt Boehm
10:30:05 AM	Vice Chairman Schmitt Note: Fields, Angela	And as long as we are at it, would Counsel for Staff?

10:30:16 AM	Vice Chairman Cicero Note: Fields, Angela	Big Rivers has a confidentiality petition motion pending so we'll rule on that in the next couple of days. And the record reflects that the affidavit of compliance and notice to the public have been given. Correct?
10:30:28 AM	Vice Chairman Cicero Note: Fields, Angela	Okay let me ask one question for the public. Is there anybody from the public that is here to speak regarding this case?
10:30:35 AM	Vice Chairman Cicero Note: Fields, Angela	Swearing witnesses in.
10:30:47 AM	Vice Chairman Cicero Note: Fields, Angela	Please be seated. Mr. Kamuf you may proceed.
