To whom it may concern:

I am a customer of Southern Water
& Sewer.

I am concerned about our water
and sewer bill being intertwined.
If I wash my car, water my flowers,
etc., or even just have a water leak
I have to pay a sewage fee on that
water.

It's hard enough to be on a fixed
income and meet our bills but it
definitely isn't right that we have
to come up with the money that
the water company was swindled out
of.

Thank you for your time and any
help would be appreciated.

Sincerely,
Melissa Baker
