### **CHANGES TO PROPOSED AGENDA**

The proposed agenda found at Exhibit 1 of the Application does not contain any revisions to the topics; however, John Dix, a co-presenter for Session 9A, "Attacking Water Loss – Supporting DMAs with Acoustical Leak Sensors," was taken ill on Monday, August 26, 2019, and had to be hospitalized. B. J. Malone was joined instead by Ryan Leisey. Mr. Dix was unable to present his part of Session 16, "Celebrating 40 Years Serving Kentucky's Water and Wastewater Utilities and the Outlook for the Future." In his place, Russ Rose provided the information for this presentation. The biographical information for these two presenters can be found at Exhibit 2B.

### **SPEAKER BIOGRAPHIES**

**Ryan Leisey** has been the Manager of Engineering and Construction with Warren, Simpson and Butler County Water Systems since August of 2013. Previously, he also worked as a Regional Sales Manager for Caldwell Tanks. Mr. Leisey earned a BS in Mechanical Engineering from Virginia Tech in 1999.

**Russ Rose** has been in the water industry since 1997. He served as Assistant Manager for the North Shelby Water Company and the U.S. 60 Water District, Director for the LaGrange Utilities Commission, and has been the Chief Executive Officer for the Oldham County Water District since 2006. Oldham County Water has 21 employees, a 13 million gallon per day water treatment plant, serving over 8400 customers, and wholesaling water to the City of LaGrange.

Russ serves as the Vice-President for the Kentucky Rural Water Association Board of Directors, on the Board for the KY Infrastructure Authority, chair of the KIPDA Regional Water Management Council, and is a member of the AWWA. He also serves on several committees locally and statewide for the Division of Water, KY Rural Water Association, and the KY Chamber of Commerce.

Russ holds a Utility Management Certification from the National Rural Water Association, and a Utility Management Professional designation from the Utility Management Institute (KRWA). He is a certified water operator, licensed in Kentucky.
