COMMISSION STAFF'S THIRD REQUEST FOR INFORMATION
TO GRAVES COUNTY WATER DISTRICT

Graves County Water District (Graves District), pursuant to 807 KAR 5:001, is to file with the Commission an electronic version of the following information. The information requested is due on May 20, 2022. The Commission directs Graves District to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the

PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Graves District shall make timely amendment to any prior response if Graves District obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Graves District fails or refuses to furnish all or part of the requested information, Graves District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Graves District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Graves District's response to Commission Staff's Second Request for Information (Response to Staff's Second Request), Item 6.
 - a. Provide a copy of the lease agreement for the hydro-excavator truck;
 - b. State whether Graves District intends to purchase the hydro-excavator truck at the end of the lease period, and if so what is the anticipated end-of-lease purchase price; and

c. If Graves District does not plan to purchase the truck at the end of the lease period, state the effect the expiration of the lease will have on Graves District's unaccounted-for water loss reduction efforts.

2. Refer to Graves District Leak Detection Report for March 2022, unnumbered page 37, Monthly Water Loss Report for Hickory Water District.

a. Provide explanation for the 3.1 percent difference between the total amount of water purchased and produced for the month and the total amount of water sold for the month.

b. Provide explanation for the negative amount of water loss due to line leaks for the month, including why it's equal to difference mentioned above.
