On December 16, 2019, the Commission issued a final order in this case. The correct entities that filed the joint application are Vertical Bridge Development, LLC and Powertel/Memphis, Inc.

Also, the first sentence of the December 16, 2019 final Order should be stricken and changed to, "On October 25, 2019, Vertical Bridge Development, LLC and Powertel/Memphis, Inc. (Joint Applicants) filed an application seeking a Certificate of Public Convenience and Necessity (CPCN) to construct and operate a wireless telecommunications facility."

IT IS THEREFORE ORDERED, *nunc pro tunc*, that:

1. This case is reopened for the limited purpose of correcting errors in the case heading and the first sentence of the December 16, 2019 final Order.

2. The case heading and the first sentence of the December 16, 2019 final Order shall reflect these corrections.

3. All provisions of the Commission's December 16, 2019 final Order that are not in conflict with the terms of this Order shall remain in effect.

4. This case is now closed and removed from the Commission's docket.
