

I am writing this letter to ask you to PLEASE do not approve CASE # 2019-00389.

Many people in my community and I am sure all over the state of KY. Struggle to keep their power bill paid now. Another increase could possibly make people choose between food, medicine or keeping heat.

Ky. power customers should not pay for a system in Indiana at the expense of our citizens.

Thank you

A handwritten signature in black ink that reads "Radha Stone". The signature is written in a cursive style with a large, looping initial "R".
