RE: Water Service Corporation of Kentucky request for
rate increase for Middlesboro, Kentucky

Dear Members of Commission:

The Middlesboro City Council met in regular session on Tuesday,
June 16, 2020, and at that meeting voted to write this letter to
strongly protest the above request for a rate increase.

The citizens of Middlesboro simply cannot afford this increase at
this time. We understand that the water company's costs have
gone up but an increase of this rate would put a real hardship on
their users.

Therefore, we respectfully ask that the Commission deny the
request for this rate increase at this time.

Sincerely,

Rick Nelson, Mayor
