Case # 2020-00140

This letter is about the proposed water cost increase for the city of Middlesboro, Ky.

I am a member of the Pinnacle View Primitive Baptist Church which is located at 925 Lethbury Ave. in Middlesboro. We are a very small church and only four members are financially able to contribute to the expenses of the church.

As treasurer of the church I am always praying that we will have enough money to pay all of our utilities each month, and perish the thought that something would need some unexpected, expensive repairs.

I consider my church an "at risk customer" and it would be a blessing if all churches could get a break on the "basic rate."

Very truly yours,
Jeriene Brashear
