PUBLIC SERVICE
COMMISSION

ATTN: PSC - case #2020-00290,

10-6-2020

We the residents of Great Oaks Subdivision, McClracke Co, Paducah, Ky, oppose the proposed huge sudden increase in our sewer bill as indicated in a recent letter dated 9-30-2020 from Bluegrass Water, Inc. This sudden increase notice brings a hardship for our community, especially during COVID-19 pandemic loss of jobs and wages, and fixed incomes.

All residents that are affected by this proposed increase feel that this increase is unfair & unjust, especially during approaching holidays & COVID-19.

We, who have signed this petition, do not disagree to a reasonable increase due to improvements.

We are disagreeing with the amount of the percentage increase (233.4%). Therefore, we submit this petition to Public Service Commission as a rejection to such an increase.

Respectfully submitted,
Residents of Great Oaks Subdivision

Petition Volunteers

PUBLIC SERVICE
COMMISSION

Copies of letters sent to "Great Oaks" residents from Bluegrass Water to request rate increase.

BLUEGRASS WATER

Utility Operating Company

A CSWR Managed Utility

September 30, 2020

Dear Customer:

We're writing to update you on the water or wastewater services that serve your community.

Since purchasing the infrastructure that serves your home, Bluegrass Company (Bluegrass Water) has invested nearly \$2.5 million in upgrades in Kentucky communities to ensure you, your families and neighbors have safe and reliable drinking water and wastewater systems. Additionally, we will invest an additional \$3.5 million to ensure safe and reliable service. We are installing remote monitoring equipment at each location to assure facilities are properly maintained at all times; sewer plant improvements to ensure proper treatment; equalization, replacement of blowers, pipes, and diffusers in aeration systems; and other improvements. As a result of these efforts and additional improvements over the next 12 months, Bluegrass Water expects to submit a request on September 30, 2020 to the Public Service Commission (PSC) for a general adjustment of rates to increase annual water operating revenues by \$336,747 and sewer operating revenues by \$2,177,052.

This letter was dated the same day they filed the rate increase with the PSC. The proposed effective date of the increase would take place on 10-31-2020. The residents did not start receiving these notices until 10-5-2020. They did not give us a 30 day notice which we thought would be required.

Please take notice of the following information about the proposal presented below and on the enclosed sheet:

The PSC, the state agency that regulates all utility services in Kentucky, will rule on this request and may order rates to be charged that differ from the proposed rates found in this notice. *On the enclosed sheet* is a table that compares present and proposed rates and the amount of the change requested (in dollar and percentage change) for each customer classification to which the proposed rates will apply. The date the **proposed rates are expected to be filed with the PSC is September 30, 2020**; the **proposed effective date of the rates is for service rendered on and after October 31, 2020**. As there are only flat rates included in the existing tariff or which affect existing customers, the average customer usage is unknown and the average bill in each service area relates directly to the current rates per month shown in the enclosed sheet.

By prior arrangement, you may examine Bluegrass Water's application at the offices of McBrayer PLLC, 201 East Main Street, Suite 900, Lexington, Kentucky; please contact Holly Lewis at 859-551-3648 or hlewis@mcbayerfirm.com to visit the McBrayer offices to examine the application. Bluegrass Water's application may also be examined at the PSC's offices located at 211 Sower Boulevard, Frankfort Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the commission's Web site at <http://psc.ky.gov>. Comments regarding the application or timely requests for intervention (establishing the grounds for the request, including the status and interest of the requester) may be submitted to the PSC through its website or by mail to:

Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602

If the PSC does not receive a written request for intervention establishing the grounds for the request (including the status and interest of the party) **within thirty (30) days of initial publication or mailing of this notice**, the PSC may take final action on the application.

Josiah Cox

President

Bluegrass Water Utility Operating Company, Inc.

On these 13 pages of signatures that are opposing this rate increase some of the numbered names are households and some are numbered as individuals living in the household. The total households represented are 169 and the total signatures of individuals are 251.

Also, 10 houses ^(of the 169) are empty and 2 houses we could not contact after several visits to do so.

Of the 10 empty houses, we were able to contact 6 of the owners & they did sign our petition. The other 4 we weren't able to contact.
