Motion to Intervene Case # 2020-00290

Dear Commission Members,

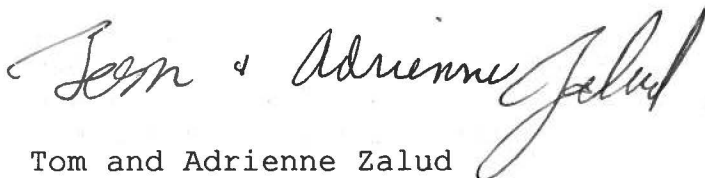

We are writing this letter to express our concerns over a proposed rate increase for the Center Ridge Water District by the Bluegrass Water Utility Operating Company.

Bluegrass Water UOC purchased the Center Ridge Water District on May 29, 2020, four months later they are proposing a 364.4% rate increase. Our current monthly bill is \$22.79, Bluegrass Water UOC is seeking to raise it to \$105.84, a \$83.05 monthly increase of the current rate.

Members of our community consist of an elderly population on fixed incomes, working families that live paycheck to paycheck struggling to make ends meet and some seasonal residents. We strongly oppose this rate hike proposal and ask that you deny this egregious rate increase.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Tom & Adrienne Zalud". The signature is written in dark ink and is positioned above the typed name.
