

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ELECTRONIC EXAMINATION OF THE)	
APPLICATION OF THE FUEL ADJUSTMENT)	CASE NO.
CLAUSE OF KENTUCKY POWER COMPANY)	2020-00004
FROM MAY 1, 2019 THROUGH OCTOBER 31,)	
2019.)	

ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on February 11, 2020, to review and evaluate the operation of the Fuel Adjustment Clause (FAC) of Kentucky Power Company (Kentucky Power) for the six months that ended on October 31, 2019. As part of this review, Kentucky Power responded to two requests for information.

A review of Kentucky Power's monthly FAC filings shows that the fuel cost billed for the six months under review ranged from a low of \$0.02310 per kWh in August 2019 to a high of \$0.02925 per kWh in July 2019 with a six-month average of \$0.02672 per kWh.

Having considered the evidence of record and being otherwise sufficiently advised, the Commission finds no evidence of improper calculation or application of Kentucky Power's FAC charges or improper fuel procurement practices.

IT IS THEREFORE ORDERED that:

1. The charges and credits billed by Kentucky Power through its FAC from May 1, 2019, through October 31, 2019, are approved.

2. This case is closed and removed from the Commission's docket.
