

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ELECTRONIC EXAMINATION OF THE)	
APPLICATION OF THE FUEL ADJUSTMENT)	CASE NO.
CLAUSE OF BIG RIVERS ELECTRIC)	2020-00009
CORPORATION FROM MAY 1, 2019 THROUGH)	
OCTOBER 31, 2019)	

ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on February 11, 2020, to review and evaluate the operation of the Fuel Adjustment Clause (FAC) of Big Rivers Electric Corporation (BREC) for the six months that ended on October 31, 2019. As part of this review, BREC responded to two requests for information.

A review BREC's monthly FAC filings shows that the fuel cost billed for the six months under review ranged from a low of \$0.020159 per kWh in June 2019 to a high of \$0.023611 per kWh in October 2019 with a six-month average of \$0.021750 per kWh.

Having considered the evidence of record and being otherwise sufficiently advised, the Commission finds no evidence of improper calculation or application of BREC's FAC charges or improper fuel procurement practices.

IT IS THEREFORE ORDERED that:

1. The charges and credits billed by BREC through its FAC from May 1, 2019, through October 31, 2019, are approved.
2. This case is closed and removed from the Commission's docket.

By the Commission

ATTEST:

A handwritten signature in blue ink, consisting of stylized initials and a surname, positioned above a horizontal line.
